

STUDENT LOAN BENEFITS

Employees now have access to **Vault Advisor & Vault Pay**, two services to help you optimize student loan payments and receive contributions toward student loans.

SECURE AND CONFIDENTIAL

The Vault platform is available to employees at no extra cost. Your loan balance and personal information are never shared with employers.

HOW IT WORKS

Vault Advisor displays all of your loans and their details in one place.

-  Compare **repayment** options and make smarter financial decisions.
-  Decide whether to **lower your payments** or pay off your loans faster.
-  Get live **1:1 help sessions** with a Vault expert.

Vault Pay powers secure, compliant student loan contributions to pay down your student debt.

Full-Time Employees:
\$40/month

Part-Time Employees:
\$20/month

VAULT PAY Student Loan Benefit

SIGN UP FOR VAULT PAY

Bickford has teamed up with Vault to help with your student loan payments. Your student loan benefit, **Vault Pay**, helps your company make a **contribution** toward your student loan balance. Full-time employees receive \$40/month and part-time employees receive \$20/month.

HOW IT WORKS

In 5 easy steps, you can start receiving your student loan payment contribution to help pay down your student debt.

- 1** Create your Vault account using the link in your email invite.
- 2** Log in to Vault and go to the "Pay" section in the top navigation.
- 3** Select the loan servicer where you want us to send contributions.
- 4** Enter your loan account information.
- 5** Click submit and enroll.
